<

9. Galanthus, SNOWDROPS
10. Muscari, GRAPE HYACINTHS
11. Eranthis, WINTER ACONITE

On this and the next pages you will find the most popular flowerbulb varieties. In order to help you plan your "Spring Garden" we have numbered each variety according to its approximate bloomingtime, so as long as you plant one item from each page or category, next spring your garden will be a continuous showplace for 6 till 8 weeks.
